

SIM2 4K SIM2 xTV

SIM2 4K SIM2 xTV

The SIM2 4K SIM2 xTV short-throw laser DLP projector has 2900 Ansi lumens and a UHD (4K2K) 3840 x 2160 resolution. The manufacturer specifies a laser service life of 25000 hours, which is over 17.1 years if enjoyed for four hours a day. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. As it is a short-throw projector, the projector can be placed very close to the wall. For a 2 m wide image, the projector only needs to be 50 cm away from the screen. Playing 1080P and 4K is also no problem for the projector.
