

Sony VPL EW345

SONY VPL EW345

Brief Introduction

Beta 2.5

A brief introduction to the VPL EW345: The Sony LCD projector offers 4200 Ansi lumens, a contrast of 3700:1 and a WXGA 1280 x 800 resolution. The manufacturer Sony specifies a lamp life of 10000 hours, which is equivalent to over 13.7 years at 2 hours per day. The model offers a microphone jack plug and 16W speakers, so no additional audio devices are required for presentations or training courses. A screen width of up to 658 cm is possible if the screen width is smaller (we recommend max. 439 cm), rooms with residual light are also no problem. The model is also Full HD 1080P compatible. This model is no longer offered by Sony.
