

Sony VPL EX340

SONY VPL EX340

A brief introduction to the VPL EX340: The Sony standard portable LCD projector offers 4200 Ansi lumens, a contrast of 3300:1 and an XGA 1024 x 768 resolution. The lamp life is up to 10,000 hours, which is over 13.7 years if enjoyed for two hours a day. The projector can illuminate images up to 564 cm wide thanks to its 4200 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 376 cm. Playing 1080P is also no problem for the projector. It was launched in 2015 and is no longer offered by the manufacturer Sony.
