

Sony VPL HW65 /ES/EW

SONY VPL HW65 /ES/EW

The VPL HW65 /ES/EW 3D SXR D projector from Sony has 1800 Ansi lumens, a contrast of 120000:1 and an HDTV 1920 x 1080 resolution. The lamp life is up to 6000 hours, which is over 8.2 years if enjoyed for two hours a day. The built-in lens shift function provides freedom when setting up. A picture width of up to 431 cm is possible. However, the picture should be smaller in room light. We recommend max. 287 cm. Video signals 1080P and 3D are also no problem for the projector. At just 22 decibels, the device is one of the quieter projectors. This model is no longer offered by Sony, but is still one of the very popular projectors.
