

Sony VPL VW520ES

SONY VPL VW520ES

The high-end home cinema Sony VPL VW520ES 3D SXR D projector has 1800 Ansi lumens, a contrast of 300000:1 and a UHD (4K+2K) 4096 x 2160 resolution. The manufacturer Sony specifies a lamp life of 6000 hours, which is over 8.2 years with a daily viewing time of 2 hours. Includes a lens shift function, which provides freedom during installation. 1800 Ansi lumens ensure that a picture width of 305 cm is also possible. However, if room light is available, the picture should be a maximum of 203 cm wide. Playback of 1080P and 4K as well as 3D is also no problem for the projector, meaning that all Blu-ray formats currently on offer can be recognized by the projector. With only 26 decibels of operating noise, the model is already very quiet compared to others. On the market since 2015, the model is no longer offered by the manufacturer Sony, but is still very popular in our projector database.

Brief Introduction

Display Type

3 x 0,74" SXR D Panel
UHD 19/10 Silicon X-tal Reflective Display (SXR D)

Ansi-Lumen

1800 853 Lux (bei 200 cm Screen)
