

TAXAN KG PL021X

TAXAN KG PL021X

Brief Introduction

Beta 2.5

The game-portable TAXAN KG PL021X DLP projector has 300 Ansi lumens, a contrast of 1800:1 and an XGA 1024 x 768 resolution. The projector also offers an integrated media player that can be used to play files directly. 151 cm image width, the projector will be able to illuminate well. If room light is available, however, the picture width should ideally not exceed 101 cm. Furthermore, the projector can play 1080P without any problems. The operating noise of just 30 decibels makes the projection quiet. The model built in 2010 is no longer offered by TAXAN.
