

ThundeaL T616

THUNDEAL T616

The T616 3D LED DLP projector from ThundeaL has 400 Ansi lumens, a contrast of 1200:1 and a WSVGA 940 x 540 resolution. The service life of the LEDs is 20,000 hours, which is over 13.7 years if enjoyed for four hours a day. The integrated media player allows files to be played directly. An image width of up to 203 cm is possible as the projector has 400 Ansi lumens. However, if room light is available, the image should be a maximum of 135 cm wide. Thanks to the built-in 12000 mAh battery, no power supply is required, allowing the projector to be set up quickly and flexibly. The projector has DLNA, Airplay and Miracast screen mirroring support, which enables direct playback of videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via Wi-Fi. It is also Full HD 1080P and 3D compatible.

Brief Introduction

Beta 2.5

Display Type

1 x 0,23" DMD DLP Chip
WSVGA 16/9 Ti Digital Light Processing Chip

Ansi-Lumen

Projector 400
