

The new dimension for the big screen at homecinema

HCinema.de

HOME CINEMA WITH THE TLP-MT1:
POLE-POSITION, EMERGENCY BREAK, ADRENALINE. AND YOU IN THE MIDDLE OF IT!

Choose freedom.

TOSHIBA

THE SPECIAL KICK FOR LARGER SUSPENSE.

Brilliant luminosity and fantastic depth of picture

ensures for a large picture experience in radiant

colours and sharp contrast. Become a programm

director. Whether TV, DVD or vacation video, your film demonstration is easier than you think.

The 3.7 kg, packed in captivatingly beautiful Design, will inspire you in the same way as the switching possibility on 16:9 format. In a hand turning your armchair becomes a cinema-seat without disturbing background noises. Because our cinema projektor is an ultra-quiet appliance. With the TLP-MT1 from Toshiba each home cinema experience has a happy ending.

Toshiba & Obelisk against Caesar® by VCL Communications can be purchased as DVD
