

VenirCool P1

VENIRCOOL P1

A brief introduction to the VenirCool P1. The LCD LED projector has an HDTV 1920 x 1080 resolution and a contrast of 10000:1. Manufacturer VenirCool specifies a service life of 30000 hours, which is over 20.5 years if enjoyed for four hours a day. 300 Ansi lumens ensure that a picture width of 176 cm is also possible. However, if room light is available, the picture should be max. 117 cm wide. The model recognizes Airplay, Miracast Screen Mirroring signals, so it is possible to play videos with high resolution and surround sound directly via WLAN from a smartphone, tablet or PC (Android, Windows and iOS). Thanks to the Bluetooth function, the projector can also be flexibly paired with other speakers. Furthermore, the projector can play 1080P and 4K (compressed) without any problems.

Brief Introduction

Beta 2.5
