

Viewsonic LSC521WU

VIEWSONIC LSC521WU

A brief introduction to the LSC521WU: The Viewsonic standard portable laser LCD projector offers 5200 Ansi lumens, a contrast of 3000000:1 and a WUXGA 1920 x 1200 resolution. The manufacturer specifies a laser service life of 20000 hours, which is over 13.7 years if enjoyed for four hours a day. The built-in lens shift and keystone correction function provides freedom when adjusting the projection. 628 cm image width, the projector will be able to illuminate well. Rooms with residual light can be created by the projector with a smaller image width, max. 419 cm is recommended here. Playing 1080P is also no problem for the projector, and it even has the option of projecting HD 1080P Blu-rays onto the ceiling thanks to 360° projection.
