

Viewsonic PJD7820HD

VIEWSONIC PJD7820HD

Brief Introduction

Beta 2.5

A brief introduction to the PJD7820HD: The Viewsonic standard portable 3D BrilliantColor DLP projector offers 3000 Ansi lumens, a contrast of 15000:1 and HDTV 1920 x 1080 resolution. The manufacturer specifies a lamp life of 4000 hours, which is over 5.5 years if enjoyed for two hours every day. Due to the brightness of 3000 Ansi lumens, a picture width of 556 cm is possible. In room light, the picture should be max. 371 cm wide. Playing 1080P and 3D is also no problem for the projector. On the market since 2013, the model is no longer offered by the manufacturer Viewsonic.
