

Viewsonic PJD8633ws

VIEWSONIC PJD8633ws

A brief introduction to the PJD8633ws: The Viewsonic 3D BrilliantColor DLP projector offers 3000 Ansi lumens, a contrast of 15000:1 and a WXGA 1280 x 800 resolution. The manufacturer specifies a lamp life of 3500 hours, which is over 4.8 years with a daily viewing time of 2 hours. As it is a short-throw projector, the projector can be placed very close to the wall. For a 2 m wide picture, the projector only needs to be 75 cm away from the screen. Playing 1080P and 3D is also no problem for the projector. This model is no longer offered by Viewsonic.
