

Viewsonic PS750W

EAN/UPC:766907889413

VIEWSONIC PS750W

Brief Introduction

Beta 2.5

With the PS750W, manufacturer Viewsonic offers a DLP projector with WXGA 1280 x 800 resolution and a contrast of 10000:1. Horizontal and vertical keystone correction makes setting up the image childs play. With a projection ratio of just 0.23:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 46 cm away from the screen. The HDMI MHL (Mobile High-Definition Link) port allows 1080p / 60 Hz image mirroring (screen mirroring) to be transmitted from a smartphone while it is being charged at the same time via the connection. The model is also Full HD 1080P and 3D compatible. With only 29 decibels of operating noise, the model is already very quiet compared to others. It was launched in 2017 and is no longer offered by the manufacturer Viewsonic.
