

Vivibright S220

Brief Introduction

Beta 2.5

With the S220, manufacturer Vivibright offers an LCD LED projector with WVGA 800 x 480 resolution and a contrast of 600:1. It is an LED projector with a 20000 hour light life, which is over 13.7 years with a daily viewing time of 4 hours. As Vivibright specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. An image width of up to 124 cm is possible. In room light, however, the image should be smaller. We recommend max. 83 cm. It is also Full HD 1080P compatible. On the market since 2014, the model is no longer offered by the manufacturer Vivibright.

Display Type

1 x LCD TFT Panel
WVGA 16/9 Liquid Crystal Display

Ansi-Lumen

630 / 2500 Lumen 280 Lux (200 cm Screen width)

Contrast

600:1 full on/off 600:1 full on/off
