

Vivitek D853W

VIVITEK D853W

The D853W 3D BrilliantColor DLP has 3200 Ansi lumens, a contrast of 3000:1 and a WXGA 1280 x 800 resolution. The lamp in the projector is specified with a lamp life of 4000 hours, which is equivalent to over 5.5 years at 2 hours per day. The model offers a microphone jack plug and 10W speakers, so no additional audio equipment is required for presentations or training courses. The projector can illuminate an image width of up to 575 cm with its 3200 Ansi lumens. In room lighting, however, the image width should ideally be less than 383 cm. The model was built by Vivitek in 2011 and is no longer current.

1 x 0,55" DLP Chip
