

# Wimius K8

WIMIUS K8

The standard portable K8 LED LCD projector from Wimius has 400 Ansi lumens, a contrast of 10000:1 and an HDTV 1920 x 1080 resolution. The lifespan of the LEDs is 150,000 hours, which is over 102.7 years if enjoyed for four hours a day. The integrated media player allows files to be played directly. 203 cm image width, the projector will be able to illuminate well. However, if room light is available, the picture width should ideally not exceed 135 cm. The model recognizes screen mirroring signals, so it is possible to play videos with high resolution and surround sound directly via WLAN from a smartphone, tablet or PC (Android, Windows and iOS). Even 1080P video signals are no problem for the projector.

## Brief Introduction

Beta 2.5

## Display Type

- 1 x LCD TFT Panel
- HDTV 16/9 Liquid Crystal Display

## Ansi-Lumen

400

178 Lux (bei 200 cm Screen)

## Contrast
