

Wimius W6

WIMIUS W6

With the W6, manufacturer Wimius offers a game-portable LCD LED projector with HDTV 1920 x 1080 resolution and a contrast of 15000:1. Due to the LEDs, the projector is specified with 30000 hours of light life, which is over 20.5 years with a daily viewing time of 4 hours. The projector also offers an integrated media player that can be used to play files directly. A picture width of up to 203 cm is possible. However, the image should be smaller in room light. We recommend max. 135 cm. As the projector recognizes screen mirroring signals, it is possible to play videos with a high resolution and surround sound directly from a smartphone, tablet, PC (Android, Windows and iOS) via WLAN. In addition, the Bluetooth option is a useful addition to the projector, especially for wireless audio transmission. Video signals 1080P and 4K (compressed) are also no problem for the projector. The model was built by Wimius in 2022 and is no longer current, but is still very popular in our projector database.

3 x LCD TFT Panel
HDTV 16/9 Liquid Crystal Display

Projector	400	Screen	178 Lux (bei 200 cm Screen)
