

XGIMI Horizon Pro

XGIMI HORIZON PRO

The XGIMI Horizon Pro LED DLP home cinema projector has 2200 Ansi lumens and a UHD (4K2K) 3840 x 2160 resolution. Manufacturer XGIMI specifies a service life of 30,000 hours, which is over 20.5 years if enjoyed for four hours a day. Horizontal and vertical keystone correction makes setting up the picture childs play. An image width of up to 477 cm is possible as the projector has 2200 Ansi lumens. However, if room light is available, the picture should be max. 318 cm wide. Thanks to the integrated Android TV software, it offers direct access to a variety of streaming services such as Netflix, Disney+, Amazon Prime Video and YouTube as well as games and other interactive content. Thanks to the integrated Google Assistant, the projector can be conveniently operated by voice command, from searching for movies to controlling your smart home devices. The projector has Chromecast, screen mirroring support, which allows you to play videos in high resolution and surround sound directly from smartphones, tablets and PCs with Android, Windows or iOS via Wi-Fi. In addition, the Bluetooth option is a useful addition to the projector, especially for wireless audio transmission. Furthermore, the projector can play 1080P and 4K without any problems. The operating noise of just 30 decibels makes the projection quiet.
