

Xiaomi Mi Laser-Projektor 150

The Xiaomi Mi Laser Projektor 150 Laser DLP Beamer has 1600 Ansi-Lumen, a contrast of 3500:1 and a HDTV 1920 x 1080 resolution. The manufacturer specifies a laser service life of 25000 hours, which is equivalent to over 17.1 years at 4 hours per day. This projector has a projection ratio of just 0.233:1. For a 2 m wide image, the projector only needs to be 47 cm away from the screen. Thanks to the integrated Android TV software, it offers direct access to a variety of streaming services such as Netflix, Disney+, Amazon Prime Video and YouTube as well as games and other interactive content. Playing 1080P and 4K (compressed) is also no problem for the projector. It was launched in 2019 and is no longer offered by the manufacturer Xiaomi, but is still very popular in our projector database.

1 x TI DLP Chip
HDTV 16/9 Ti Digital Light Processing Chip

Projector	1600	Screen	711 Lux (200 cm Screen width)
	3500:1 full on/off		3500:1 full on/off
