

Xiaomi Wanbo X5 Pro

XIAOMI WANBO X5 PRO

Brief introduction of the Xiaomi X5 Pro. The standard portable LCD LED projector has an HDTV 1920 x 1080 resolution and 1100 Ansi lumens. The manufacturer specifies an LED service life of 30,000 hours, which is equivalent to over 20.5 years at 4 hours per day. A picture width of up to 337 cm is possible. However, the picture should be smaller in room light. We recommend a maximum of 225 cm. Thanks to the integrated Android TV software, it offers direct access to a variety of streaming services such as Netflix, Disney+, Amazon Prime Video and YouTube as well as games and other interactive content. The projector has Airplay, Miracast Screen Mirroring support, which enables direct playback of high-resolution videos and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via Wi-Fi. Thanks to the Bluetooth function, the projector can also be flexibly paired with other speakers. Even 1080P and 4K (compressed) video signals are no problem for the projector.
