

Yaber V3

YABER V3

Brief Introduction

Beta 2.5

With the V3, manufacturer Yaber offers a standard portable LCD LED projector with HDTV 1280 x 720 resolution and a contrast of 5500:1. The manufacturer specifies an LED service life of 100,000 hours, which is equivalent to over 68.5 years at 4 hours per day. Horizontal and vertical keystone correction makes image adjustment childs play. As Yaber specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. An image width of up to 185 cm is possible. In room light, however, the image should be smaller. We recommend max. 123 cm. It is also Full HD 1080P compatible. On the market since 2021, the model is no longer offered by the manufacturer Yaber.

Display Type

1 x LCD TFT Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

250 / 5500 Lumen

111 Lux (200 cm Screen width)

Contrast
