

Yooyaa 18000 Lumen

Y O O Y A A 1 8 0 0 0 L U M E N

Brief Introduction

Beta 2.5

The Yooyaa 18000 lumen LED LCD projector has 400 Ansi lumens and an HDTV 1920 x 1080 resolution. The lifespan of the LEDs is 30000 hours, which is over 20.5 years if enjoyed for four hours a day. A picture width of up to 203 cm is possible. However, the picture should be smaller in room light. We recommend max. 135 cm. As the projector recognizes Chromecast, Airplay, Miracast Screen Mirroring signals, it is possible to play videos with a high resolution and surround sound directly from a smartphone, tablet, PC (Android, Windows and iOS) via WLAN. In addition, the Bluetooth option is a useful addition to the projector, especially for wireless audio transmission. The model is also Full HD 1080P and 4K (compressed) compatible.
