

Yoton Y3 Mini

EAN/UPC:B09SL7XNRX

YOTON Y3 MINI

Brief Introduction

Beta 2.5

The Y3 Mini LED LCD has 200 ANSI lumens, a contrast ratio of 10,000:1 and an HDTV resolution of 1280 x 720. Thanks to the LEDs, the service life is 30,000 hours, which would amount to over 20 5 years. The projector is capable of illuminating an image width of 111 cm. However, if there is ambient light in the room, the image width should ideally not exceed 74 cm. The model recognises AirPlay and Miracast screen mirroring signals, making it possible to play high-resolution videos with surround sound directly via Wi-Fi from a smartphone, tablet or PC (Android, Windows and iOS). In addition, thanks to its Bluetooth functionality, the projector can be flexibly paired with other speakers. The model is also compatible with Full HD 1080p.
